Your Lab is Ready

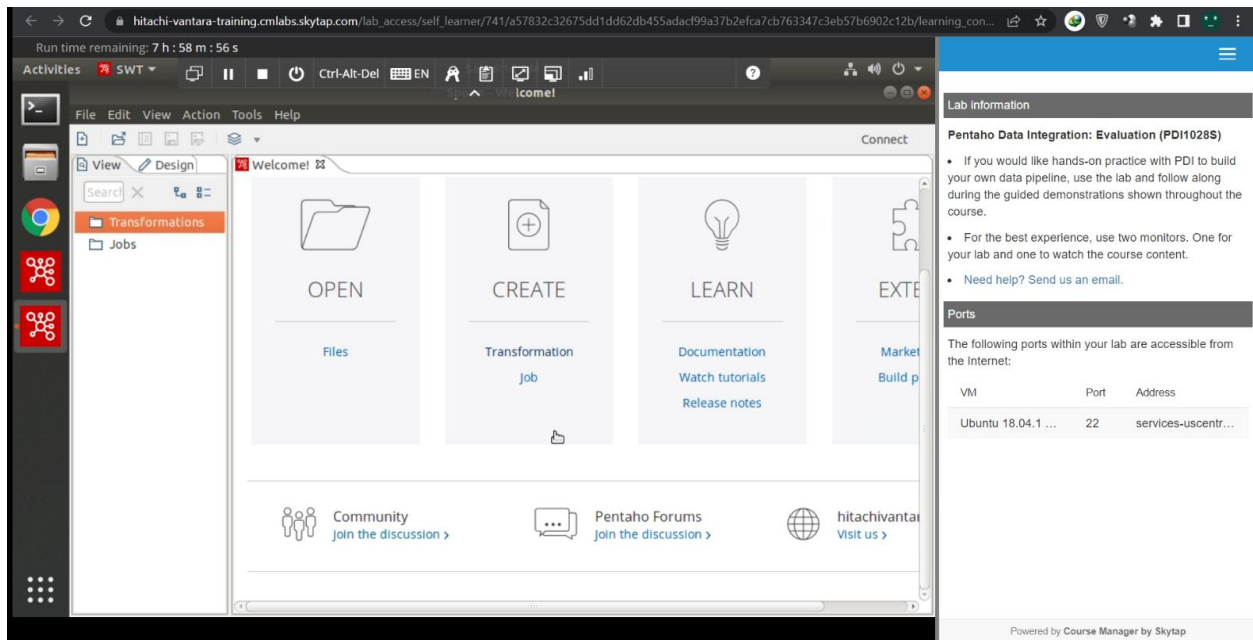

To access your Lab, click the button below.

Open Lab

9. Jika muncul tampilan seperti diatas, klik **Open Lab**

10. Tampilan virtual machine, silahkan buka software pentaho.

11. Tampilan software pentaho jika dibuka dari virtual machine.

30 Days Trials (Download Software)

The screenshot shows the Hitachi Vantara website. The header includes the Hitachi Vantara logo, navigation links (SOLUTIONS, PRODUCTS, SERVICES, EVERFLEX, INSIGHTS, NEWS, PARTNERS, COMPANY), and a red 'CONTACT US' button. The main content area features the text 'Lumada Data Integration and Analytics powered by Pentaho' and a large heading 'Turn Data into Actionable Insights.' with 'Actionable' underlined in red. Below this is a subheading 'Codeless Software to easily prepare, build, deploy and analyze all your enterprise data.' and two buttons: 'Try Hands On Experience' and 'Start a Free 30 Day Trial' with a right arrow. To the right is a large image of two people standing on a wind turbine.

1. Pertama masuk kehalaman diatas dan klik **Start a Free 30 Day Trial**
